CIRCULAR No.: 0015C/TG/02/17

To All Recognized Organizations and Classifications Societies

Dear Sirs

We are glad to inform you that Togo has ratified the AFS convention instrument, in light of the above, all RO's are hereby authorized to issue anti fouling certificate as off today instead of the statement of compliance.

As for existing statement of compliance already issued and placed on board of vessels hosting the Togo Flag , the RO in charge is hereby requested to proceed with the withdrawal of the statement of compliance and replace it by a certificate of anti-fouling at the first next scheduled survey (annual and /or Intermediate or renewal surveys).

Upon issuance of the certificate, you are kindly requested to submit a copy to this administration accordingly.
