

CIRCULAR No.008C/TG/08/13
- 16 AUGUST 2013 -

To : Classification societies / Recognized Organizations
From: TOGO Maritime Administration

Subject: Concentrate Inspection Campaign (CIC) by Tokyo and Paris Mou

Please refer to the self-explanatory Press Release published on Tokyo Mou web page, a concentrate Inspection Campaign (CIC) is to be carried out by Paris Mou and Tokyo Mou.

This CIC will assess compliance with SOLAS Chapter II-1 and will last for three months, starting on 1 September, 2013 and ending on 30 November, 2013. Furthermore, the Port State Control Officers will use the attached questionnaire during the CIC, which contains 12 questions relating to documentation, main engine and auxiliary engine, auxiliary Machinery and operational controls.

In order to avoid any PSC detention, we will appreciate your Organization to instruct all field surveyors/auditors to verify compliance with the Questionnaire in any scheduled inspection/audit to be carried on our vessels for any reason. e.g detention, gsi inspection, annual surveys, intermediate audit, company audit.

Best Regards,
Vera N.Medawar
Registrar For the Togolese Maritime Administration
